

Do we need come in to GCJHS to register?

No! All students who attended school at Greenfield-Central School last year, can simply log in to the parent PowerSchool account and register prior to MacBook distribution. New students can make an appointment to get enrolled by calling 317-477-4616 on or after July 18.

How is the 7th grade schedule designed?

All students will have seven periods in a day. All students will have the four core classes of Language Arts, math, science and social studies. 7th grade students will be in a rotation of 9-weeks related arts classes and a full year of PE. Students who are not in a music class or a lab or tier class will be assigned to a study hall.

How did my 7th grader get the music classes he/she has?

All 7th graders had a choice to take band, choir, or strings if they wanted to sign up last May. If your child still wants to sign up for one of these, please call the office.

Will my 7th grader have art?

Most 7th graders will be on a 9 weeks related arts rotation of Art, FACS, Technology Education, and Computer Science.

My child is scheduled for a math tier or language tier class, How did that happen?

We looked very closely at NWEA scores from last year and identified students who are in need of an extra boost of help in the subject area. Students will be in small classes with the subject area teacher. They will work on individual skills and gaps to help them get caught up.

How is the 8th grade schedule designed?

All students will have seven periods in a day. All students will have the four core classes of Language Arts, math, science and social studies. 8th grade students also are required to have a semester health class and a semester of preparing for college and careers. The remaining two periods in their schedules could be music classes or their chosen semester related arts classes.

How did my 8th grader choose his/her related arts classes?

Last May, as 7th graders, students met with the counselors and chose their preferences for 8th grade. Students could choose semester courses including Tech Ed, Art, FACS, Computer Science, World Language, and PE.

Where should my student go on the first day of school?

Everyone will report to their 1st period class on August 1. Students will receive their schedules at MacBook rollout or they can log into PowerSchool and access it after rollout.

My schedule changed, what happened?

We are busy balancing class sizes and adjusting schedules until the first day of school. We will have schedules finalized by August 1.
