We Will, We Will RAKU! A pottery experience!- June 2nd-3rd, 8AM-12PM

In this 2-day workshop, students will learn about the evolution of and science behind pottery.

Students will glaze a variety of flower pots to be fired in our outdoor kiln

Day 1: Students will learn and explore pottery and glazing techniques

Day 2: Students will experience the raku firing process in our homemade outdoor raku kiln!

Fore!!! Let's Go Golfing!- June 7th-11th, 8AM -12PM

Students will review basic golf rules and then travel by bus to a local golf course where students would practice skills and play 9 holes of golf each day.

MakeYourOwnSpace (Makerspace)- June 7th-11th, 8AM -12PM

This is a week-long venture. Sessions will include: 3D printing, stop motion animation, fidget spinner decorating, cake/cookie decorating, macrame designing and flower pot glazing/painting.

Explore Indiana- June 7th-23rd, Mondays-Wednesdays 8AM-3PM

This program is for incoming 7th & 8th grade students who are interested in spending the summer exploring various parts of Indiana. Students will get to explore several state parks, museums, historical landmarks, the Indianapolis Zoo, the Indy 500 Race Track, and an Escape Room.

Games, Games, Games- June 14th-18th, 10AM-12PM

We will offer students a variety of games and activities. We will be introducing a number of new indoor and outdoor activities. We will spend some time teaching fishing and archery so students are active outdoors. Students would also spend time in the gym playing some classic PE games (kickball, matball, and pickleball)

Anyone Can Cook!- June 14th-18th, 10AM-12PM

Kids will be making popular Disney World park treats (i.e. Mickey Pretzel, The Grey Stuff, Cheeseburger Egg Roll, etc.) Multiple recipes made each day for all students to make and sample!
